I'm 24 years old and have been modeling successfully for over a year with a couple of publications. My specialties are artistic and glamour nude, but I am open to many other genres. I've been told that my best feature is my eyes and my face as I'm able to change my expressions instantly. I have many tats and piercings. Think Suicide Girl glamour babe, on steroids, and you'll be pretty close to the truth! I prefer paid shoots as this is my full-time job but, I will entertain TFP offers with those I feel can enhance my portfolio.

I'm located in Ohio after moving from Virginia in 2016. I've been modeling just around 2 years. I enjoy painting, playing the piano and I really value time with friends and loved ones.

When I'm not shooting,
I'm working full-time as a piercer.

You have now entered the royal planet of Alien Model Goddess Monea Debarge (but you can call me by my Goddess name Aha'aara if you wish to serve me as your ruler ... Lol, jk kinda sorta). Although born in outer-space, Monea Debarge is a 26 year-old freelance model from Chicago, IL. Since the day she landed on this beautiful planet you call Earth, she knew she wanted to model and at the age of 19 years old Monea began her journey...

Since then, Monea has managed to build her brand by encouraging and embracing nudity. She does this through her photoshoots, artistic nude videos, radio and magazine interviews, and also by creating a nude modeling agency that encourages women to be happy in their skin. Monea believes that the human body should be considered an art form. She also believes that nude modeling should be celebrated and respected in the modeling world just like fashion.

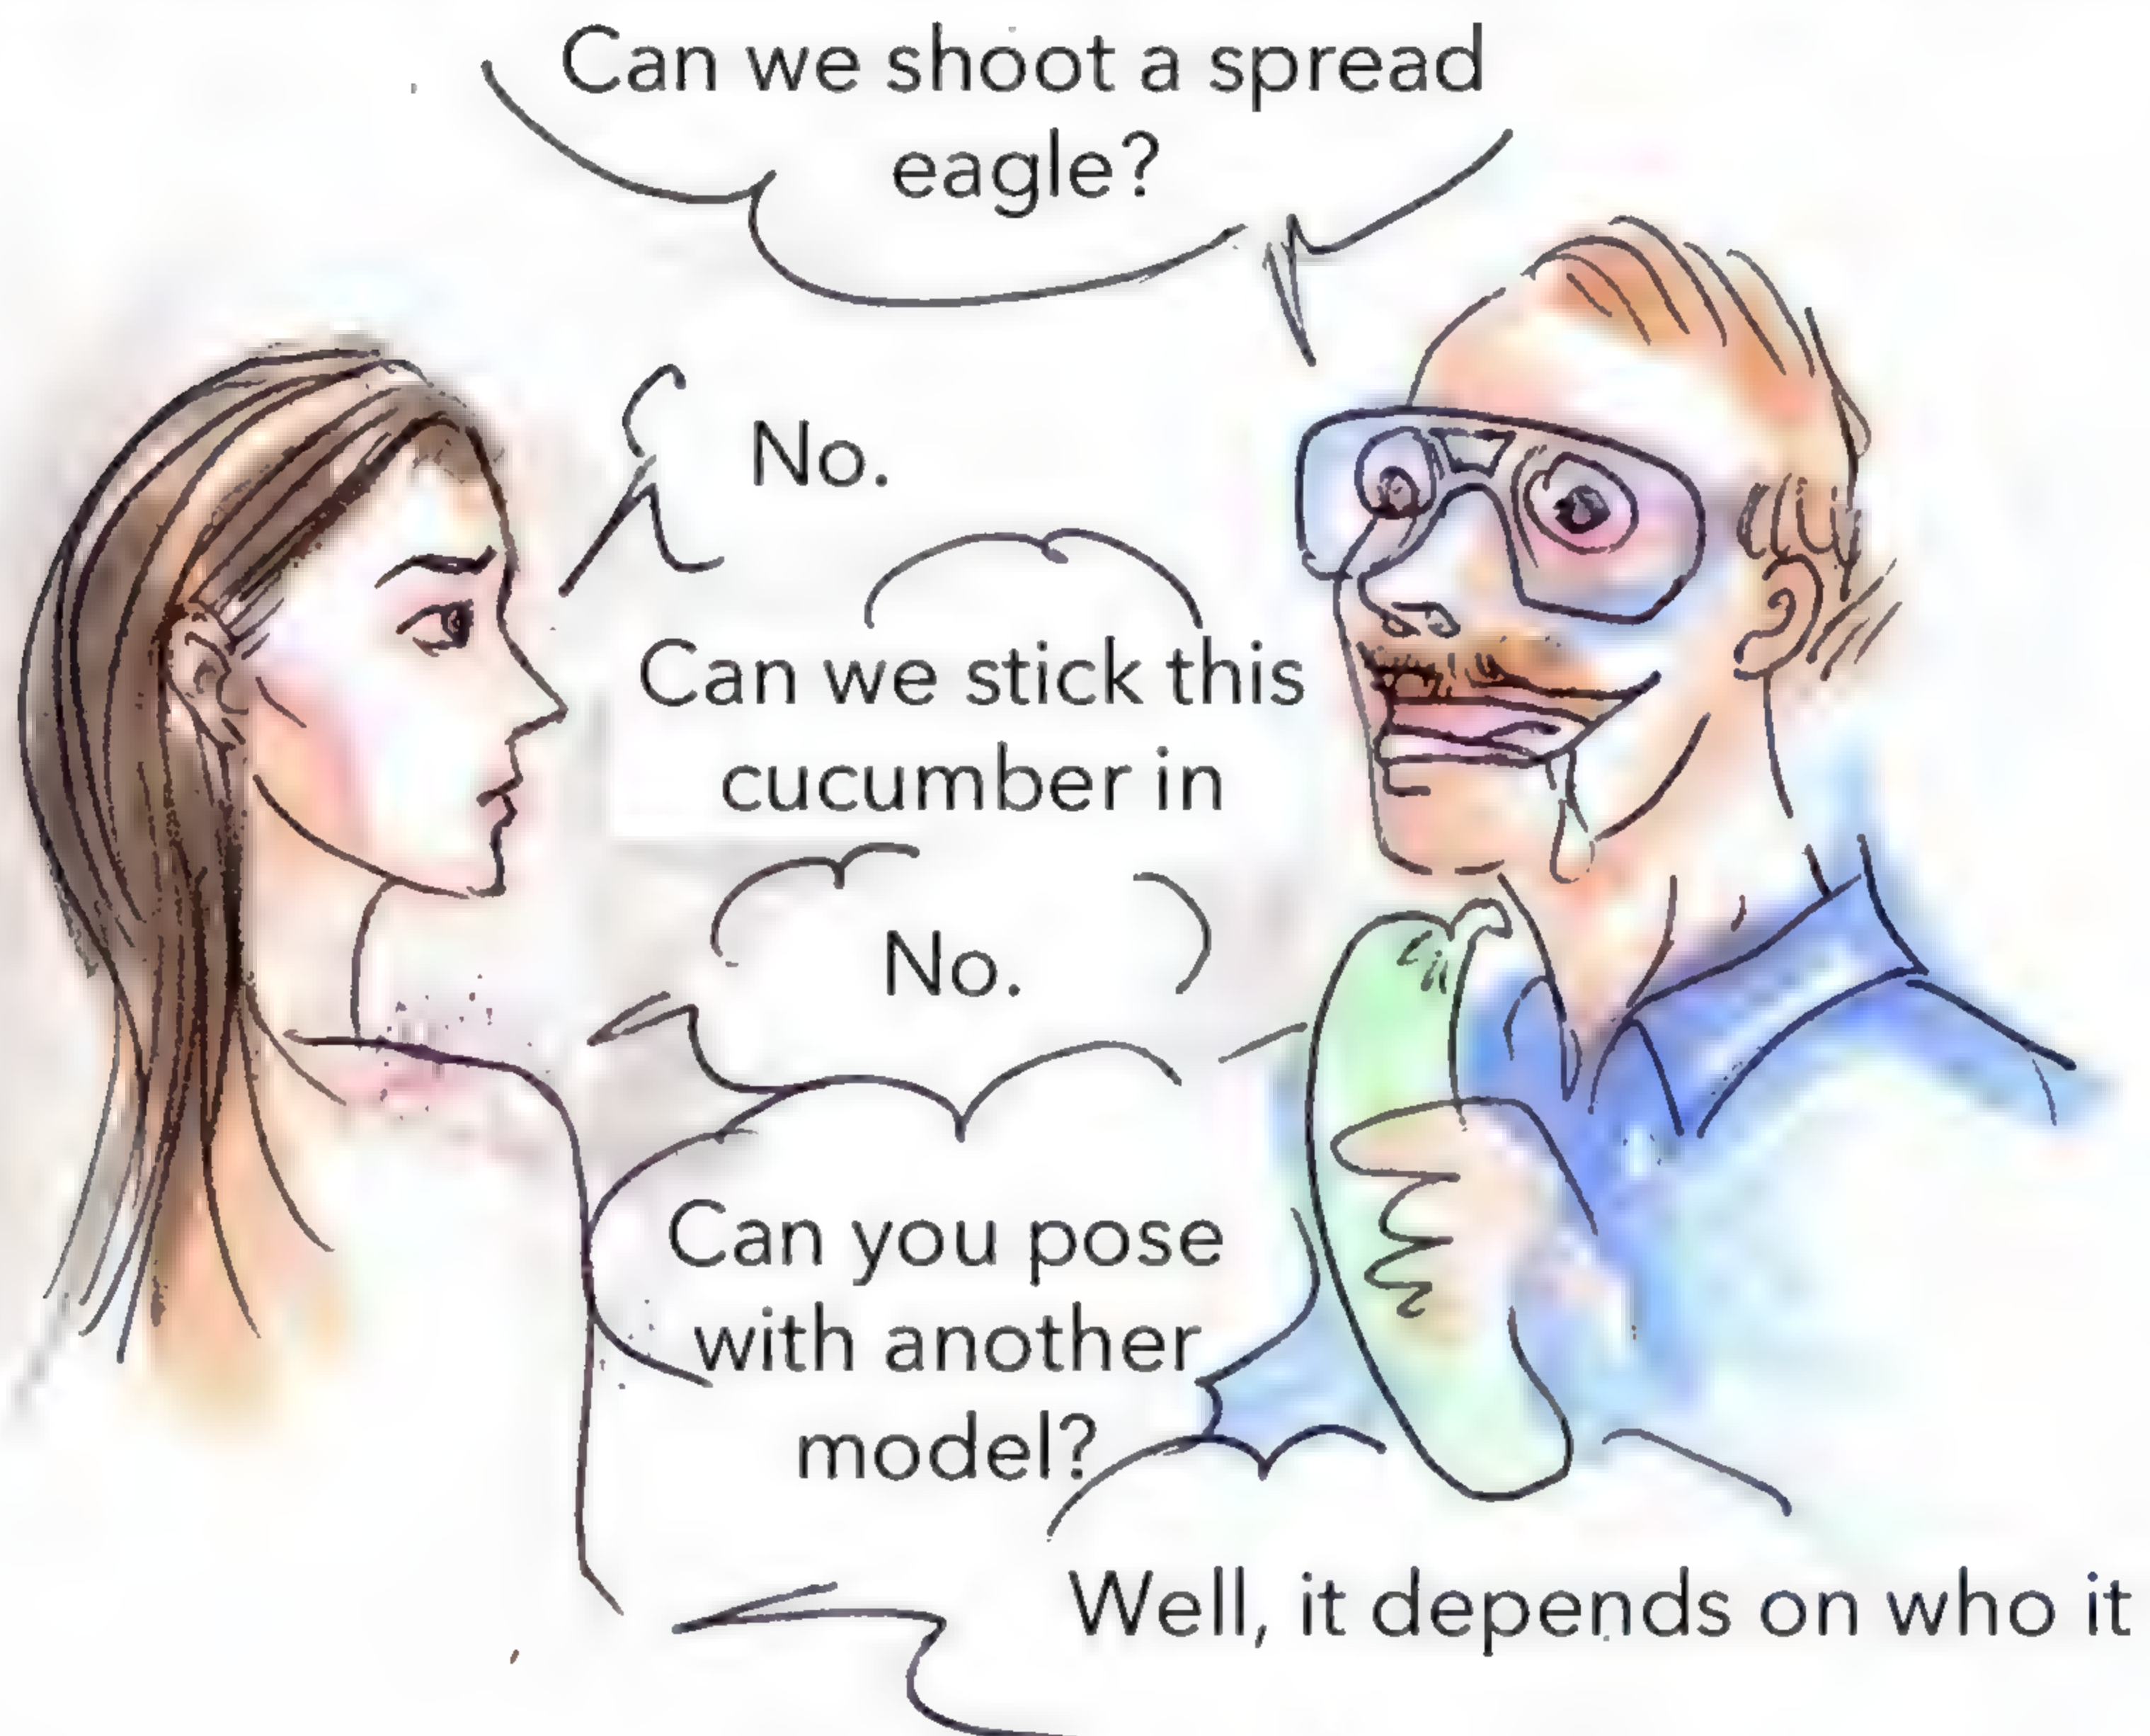

Although Monea has been modeling for 5 years, she still considers herself a beginner. She's always willing to learn new things about the art of modeling AND SHE CERTAINLY SHOWS THAT THROUGH HER MODELING. HER INNOCENT YET SEDUCTIVE FEATURES GIVE HER THE ABILITY TO GET INTO ANY CHARACTER FOR ANY PHOTOSHOOT YOU ARE LOOKING TO ACCOMPLISH.
